

NOTICE

The Bengal and Madras Service Family Pension Fund which is provisionally managed and assisted by Government has for its object the provision of monthly pensions for the maintenance of the widows and children of subscribers and is open, with certain exceptions, to all active and pensioned members of the Uncovenanted Service of Government (except those serving under the Government of Bombay) and to Local Fund servants earning pensions from Government. Some of the special features of the Fund are (1) that widowed daughters incapable of remarriage or children labouring under such mental or bodily infirmities as incapacitate them from earning their livelihood or preclude the possibility of marriage (in case of a daughter) are admitted to its benefits; and (2) that subscribers to the Widows' and Daughters' branches are entitled to a refund of 30 per cent. of the premia paid, should the nominees predecease them after 5 years of admission. The second quinquennial valuation of the Fund has been completed by the Actuary to the Government of India and his report discloses very favourable results. For forms of applications and rules of the Fund apply to the Accountant General, Central Revenues, Imperial Secretariat Buildings, Calcutta.

The first part of the document is a letter from the Secretary of the Department of the Interior to the Commissioner of the General Land Office. The letter is dated March 10, 1906, and is addressed to the Commissioner at Washington, D.C. The letter is signed by the Secretary, who is also the Acting Commissioner of the General Land Office. The letter discusses the proposed sale of certain lands in the State of California, which are owned by the United States. The letter states that the lands are located in the County of San Diego, and are situated near the town of Escondido. The lands are described as being "certain tracts of land, more or less, situated in the County of San Diego, State of California, and are owned by the United States." The letter further states that the lands are proposed to be sold to the highest bidder, and that the proceeds of the sale will be used for the benefit of the United States.
